

# 497 Minimal Supplement

## Sample 1

### Risk/Return Summary

Jul. 24, 2018

#### The Fund

Supplement to the Prospectus and Summary Prospectus Dated May 27, 2018

#### New Target Index

Effective immediately, the Fund has begun tracking its new target index, the MSCI US Investable Index, as previously approved by the Fund's board of trustees and discussed in the Combined Proxy Statement. The new target index increases exposure to certain specialized real estate investment trusts (REITs) and real estate management and development companies. The board believes that the new index is more closely aligned with the Fund's new investment objective.

All other references to the MSCI US Investable Transition Index are hereby replaced with MSCI US Investable Index.
