Solutions by **GUARDUM**

CORPORATE SNAPSHOT

# Creating international opportunities for British snowsport athletes

Serves as the National Governing Body for snowsports in the UK

Selects, manages, and leads British teams to international events

Provides opportunities for athletes to achieve their full potential

## CHALLENGE

# Quickly identify and mass redact personal data

GB Snowsport's tightly resourced team was concerned with managing and expediting DSAR requests from a time and resources standpoint. Additionally, GDPR rules and potential fines were a concern. They were seeking a solution that semi-automated the process of finding and redacting PII within the 30-day deadline.

SOLUTION

# Data Protect Solutions by DFIN Saves Time and Money During Compliance

“

The DSAR took us a fraction of the time and cost to achieve, and we essentially managed to have one person run the entire process with very little oversight. We would highly recommend the use of DSAR by DFIN to any organisation which needs to identify and redact large amounts of data.
