

# Leverage our expertise to create ESG Fact Sheets.

Investors, customers, and other stakeholders are demanding ESG information. Our expert team advises and guides clients, delivering compelling narratives that have positive impacts on their business. Leverage our 5-Step ESG Process for optimum effectiveness and efficiency.

## OUR SOLUTION DELIVERS ESG FACT SHEETS IN AS LITTLE AS 90 DAYS WITH:

- ✓ Selection of the most relevant material indicators
- ⚙️ Review and benchmarking of peer disclosures
- 🎯 Identification of thematic ESG messaging
- 📄 Drafting of content and finalization with client
- ★ Design of infographics by an award-winning team

# Start your ESG journey with leading industry experts.

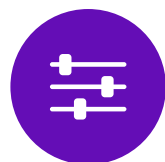

## PROVEN

- Applies DFIN's ESG methodology for collaboration and outcomes
- Leverages the DFIN knowledge gained from serving clients globally
- Navigates clients through complex and evolving ESG environments

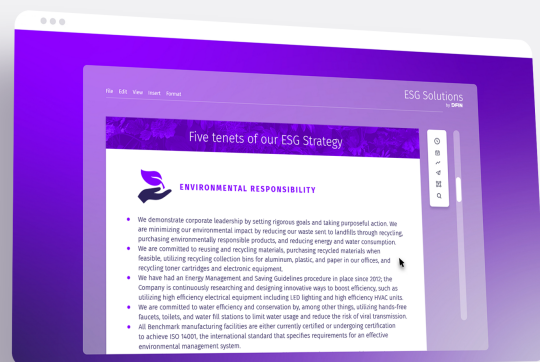

## FOCUSED

- Optimizes value and outcomes for clients with low impact on resources
- Controls project scope to the essentials for completing the ESG projects
- Guides multidisciplinary client teams and fills gaps using DFIN experts

## ESSENTIAL

- Demonstrates the effectiveness and potential of your ESG strategy
- Reveals vital data to investors, employees, customers, partners, and others
- Builds a platform for future ESG reporting including global regulatory filings
