

How we brought better client experiences to this award-winning British law firm

DFIN CASE STUDY

DMH Stallard

CORPORATE SNAPSHOT

DMH Stallard is a full service, award winning law firm that builds strong, long-term relationships with its clients by providing straightforward and honest advice to help businesses achieve their goals.

(0)

Over 50 years in business

6 Locations across England

388 people

CHALLENGE

As a firm priding itself in providing the best client service, it was paramount for DMH Stallard to suggest the most intuitive and easy to use data room to its business clients.

DMH Stallard was looking for a quality data room provider who shared their vision to provide a high quality, professional and timely service to clients.

SOLUTION

Venue virtual data rooms help DMH Stallard to ensure compliance while accelerating client deals. The ease of launching and using data rooms optimises efficiencies, and the reporting dashboard provides them with visibility into user activity. Also, DFIN's responsive customer success team is always available to help when needed.

LOCAL SUPPORT EXPERTS

24/7 access to country-specific experts

USER EXPERIENCE

Intuitive user experience that helped stakeholders navigate easily through the platform

FLEXIBLE, AFFORDABLE SOLUTION

Offers everything needed without expensive extras

66

DFIN have assisted us on numerous deals. They offer a sophisticated and innovative platform which is a perfect match for the type of deals we are involved in and in line with our client's expectations. Their round the clock customer support is extremely reliable and efficient."

CALLUM KIRK

Associate at DMH Stallard LLP

The virtual data room built for deals.

Accelerate your deal process with our award-winning virtual data room. Our purpose-built virtual data rooms are reinforced by our regional experts and continually optimised for security, productivity, and usability.
