Investment Companies Traditional Services Overview

DFIN offers financial regulatory compliance solutions that help you meet the challenges and complexities of an ever-changing regulatory environment with a greater level of confidence and control.

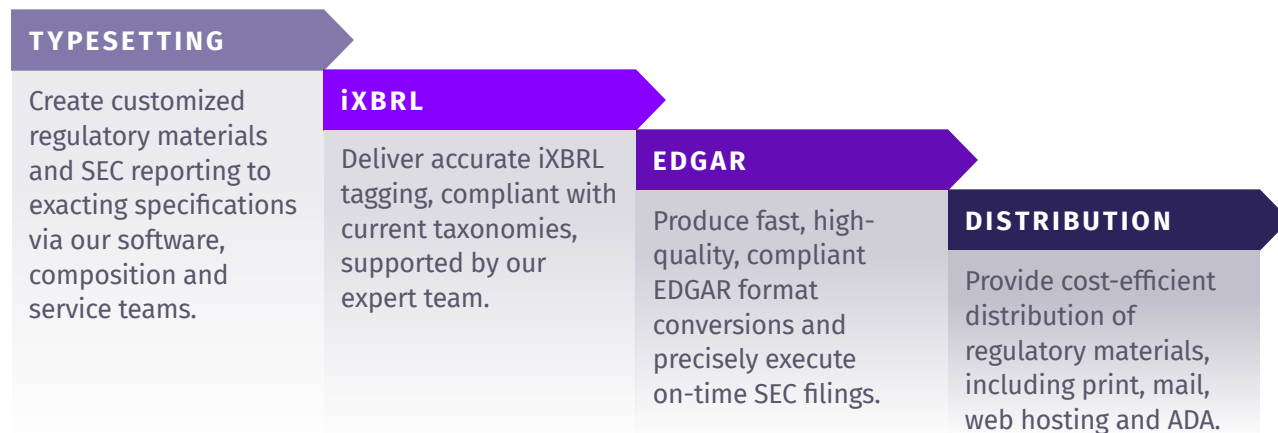

Benefits of working with DFIN

DFIN helps you produce accurate disclosures so you can avoid errors and costly reworks. We also help you manage and ensure on-time filing and distribution of shareholder communications, cost-efficiently produce and distribute shareholder materials, and ensure a frictionless service experience during peak periods.

ACCURACY	Produce accurate disclosures the first time to avoid errors and rework.
ON-TIME FILINGS & DELIVERY	Manage and ensure the on-time filing and distribution of regulatory communications.
COST EFFICIENCY	Guarantee cost-efficient production and distribution of regulatory materials.
INVESTMENT MARKET-SPECIFIC SERVICE TEAM	Ensure a superior service experience with your provider.

Full-service provider

DFIN offers a wide variety of flexible service models. Whether you select self-service with our regulatory filing software, managed service or a hybrid solution, DFIN tailors our services to meet your company's unique needs.

Why DFIN?

✓ Expertise

As the largest SEC EDGAR filer, DFIN provides the financial industry with the experience and expertise of an established market leader. We are closely partnered with the SEC and have over 40 years of experience supporting various fund complexes and asset managers across the globe.

✓ Investment Market-Specific Service Team

DFIN's expert service team averages 20 years of experience and makes up the industry's largest composition network. We manage large volumes of work across the globe to ensure on-time filing and distribution of critical shareholder communications.

✓ Proven Partner

No matter what size, DFIN supports every stage of our clients' business and investment lifecycles. With a 99% client retention rate over the past three years, we are committed to providing you with the right solutions in the moments that matter.

✓ Technology

Purpose-built by industry experts, DFIN's financial regulatory compliance software helps you meet the challenges and complexities of an ever-changing regulatory environment with a greater level of confidence and control.

Ultimately, when you choose to work with DFIN,
you are preparing for the future.

You're buying into something bigger than a single solution; you're partnering with an established market leader that is forward leaning and thinking — which, in turn, will help your organization be better prepared for what is to come.
