

DFIN CASE STUDY

How we help a middle market private equity firm raise capital and close deals.

DFIN
Venue®

Kinderhook
INDUSTRIES

CORPORATE SNAPSHOT

Kinderhook Industries is a private equity firm specializing in middle-market control investments.

**Founded
in 2003**

Headquarters in
New York

**\$5.7B Capital
Raised**

Five active funds at the
end of 2023

**425 Investments
& Acquisitions**

Across multiple sectors,
including healthcare and
manufacturing

CHALLENGE

Simultaneously executing different transactions for multiple funds & companies

Kinderhook needed to efficiently execute a diverse mix of transactions involving several funds and many companies. Transactions included fundraising, sourcing, investments, mergers, acquisitions, and continuations.

The firm's staff did not want to become VDR admins, so they needed an easy-to-use platform with dedicated project management and expert support 24/7/365.

SOLUTION

Venue virtual data rooms help private equity firms save time and accelerate transactions

Venue accelerates transactions securely and affordably and is reinforced by project management and customer service experts. Our intuitive virtual data room platform is trusted globally by Fortune 1000 companies, startups, PE firms, investment banks, and government agencies.

EASY TO USE FOR EVERY STAKEHOLDER

Intuitive folder and file views for easy navigation

REINFORCED WITH 24/7/365 SERVICE

Our VDR experts become an extension of your teams

TIME-SAVING EXECUTIVE DASHBOARD

Access and control all your data rooms from one place

“

“We typically work on several transactions simultaneously at Kinderhook, so I particularly like Venue’s Executive Dashboard. It makes it convenient to navigate in and out of different data rooms and keep all our VDRs organized.

Kinderhook has used Venue VDRs for hundreds of transactions, and I’ve been using Venue since joining Kinderhook in 2020.”

KEVIN GAYHARDT

Senior Associate

The virtual data room built for deals.

Accelerate your deal process securely with our award-winning virtual data room. Our purpose-built virtual data rooms are reinforced by our regional experts and continually optimized for security, productivity, and usability.
