Why DFIN?

Arc Suite has been developed by experts in mutual fund and product technology to meet regulatory requirements around the world, including the SEC, OSC, and ESMA. This platform is trusted throughout the industry thanks to its innovative design, our ongoing support, and our dedication to building strong client relationships.

Powering 20,000+ mutual funds worldwide including ETFs, CITs, SICAVs, alternative investments, hedge funds, and variable products	85% of the top 20 global asset managers rely on Arc Suite	99% client retention rate over the past 3 years
40% market share in iXBRL production	Approximately 40% market share as the largest SEC EDGAR filer	44% of U.S. DFIN clients take advantage of <i>more</i> <i>than one</i> Arc Suite solution

Ultimately, when you choose to work with DFIN,
you are preparing for the future.

You're buying into something bigger than a single software solution; you're partnering with an established market leader that is forward leaning and thinking — which, in turn, will help your organization be better prepared for what is to come.

About Donnelley Financial Solutions (DFIN)

DFIN is the leading global provider of compliance and regulatory software and services, fueling end-to-end investment company regulatory compliance needs, complex capital markets transactions, and essential financial reporting at every stage of the corporate lifecycle. Our mission is simple: to empower clients with the software and support they need to stay ahead of public company filings, investment company filings, private reporting, and beneficial owner reporting, while enhancing workflow efficiency. We bring deep expertise to every engagement, driving transparency and collaboration built on confidence and reliability.
